Dear Colleagues –

We're excited to kick off the 2021 OCSPP Café Series! Please join us for the **OCSPP Professional Development Café** this **Thursday, February 25<sup>th</sup>** at **10:00 a.m.** We'll hear from EPA's Office of Mission Support (OMS) on:

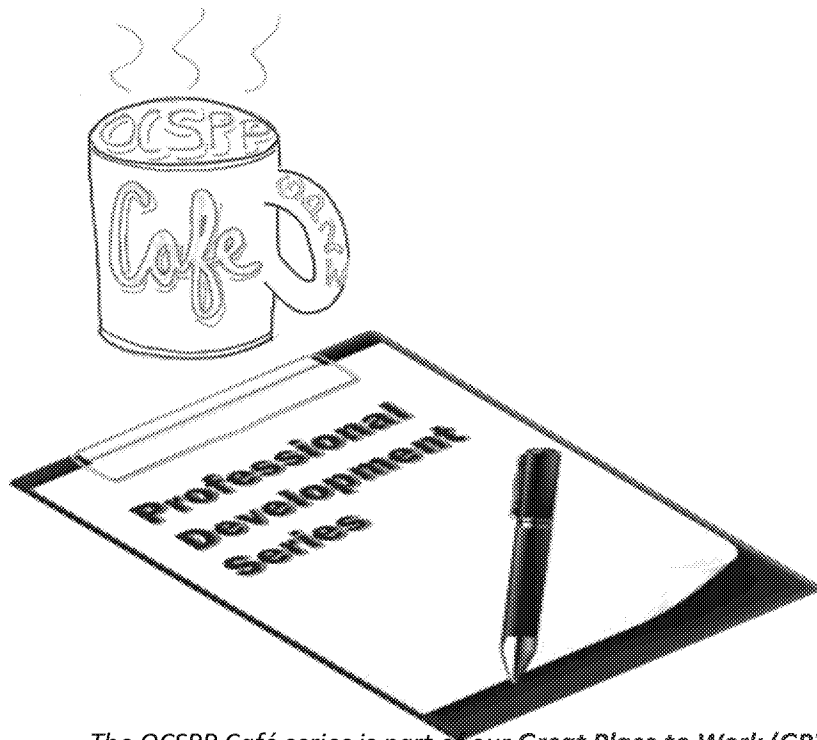

- learning and development opportunities overall,
- creating and updating your own Individual Development Plan (IDP),
- specific training and FedTalent opportunities, and
- EPA University.

Dr. Cynthia Way Caple, EPA's new Chief Learning Officer (CLO), and her team will tell us about internal and external opportunities ranging from fellowships to coaching to resources available anytime. You'll be able to ask questions and provide feedback during the event.

We hope you are able to join us for this café! If you have suggestions or requests for other professional development events, resources, or information, please let me and Sonia Altieri know!

With thanks to our GP2W Professional Development Champion, OPPT Director Yvette Collazo, we look forward to seeing you Thursday –

All the best,  
Tom

*The OCSPP Café series is part of our Great Place to Work (GP2W) initiative and is about conversation, comradery, and common space. Inspired by the small-town coffee shops, corner bodegas, and neighborhood cafés that are the meeting places for communities across America, we hope the OCSPP Café comes to represent the same values of community, shared experience, and relationship those places embody. In a time of social distancing, while we can't always go to our favorite neighborhood hangout, we can come together in the virtual space created by the OCSPP Café.*
